

8th Annual Congress of the Association of Sri Lankan Neurologists and 8th International Congress of the Asian Society Against Dementia Colombo, Sri Lanka - 14th-16th November 2014

Organized jointly by the Association of Sri Lankan Neurologists and the Asian Society Against Dementia

Association of
**Srilankan
Neurologists**

The annual International Congress of the Asian Society Against Dementia (ASAD) is a niche meeting that showcases challenges and recent advances in the study of dementia. The 8th International ASAD Conference will be hosted by the Association of Sri Lankan Neurologists in Colombo in November 2014. With a high-quality scientific programme focusing on Asia, and Colombo providing an unforgettable backdrop, ASAD 2014 is an event that must not be missed.
